

What is PAM?

PAM is an interactive, Army-wide procurement knowledge management portal – your go-to source for acquisition-related news, templates, learning tools, and more. With PAM, you'll have ready access to acquisition policies, standard business processes and operating procedures, and updates to critical programs and systems.

Procurement.Army.Mil (PAM)

PAM's Benefits and Features

With PAM, you have instant access to:

- Home of the official AFARS and Army procurement policy & directives
- Go straight to the heart of what really matters in each procurement phase by navigating the Contracting Compass to gain valuable knowledge, tools, and templates across the procurement process
- Official Army templates
- Army Category Management and strategic sourcing initiative
- Procurement systems and process support
- Links to key resources and Web portals
- Single sign-on access to the Virtual Acquisition Office (VAO) website & content (www.GoToVAO.com)
- Relevant news and industry trends
- Comprehensive procurement toolkits
- Online courseware and webinars, including CLPs
- Expert-driven acquisition Q&A
- Collaborative resource for networking across Army and knowledge sharing

How to Access PAM

Go to <https://procurement.army.mil>

1 News (Live from VAO)

2 Acquisition Q&A (Live from VAO)

3 Links & resources

4 Earn CLPs!

5 Navigate the acquisition life cycle quickly and efficiently using Contracting Compass!

PAM Champs

PAM Champions are responsible for promoting PAM to you and providing your feedback so PAM continues evolving.

Find out who your PAM Champ is by visiting the PAM Champ site from the PAM home page.

Go to PAM Champs site: <https://spcs3.kc.army.mil/asaalt/procurement/PAMChamp/Lists/PAMChampRoster/display.aspx>

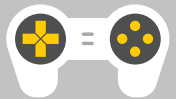

Easy Access to VAO

PAM contains your favorite content from the Virtual Acquisition Office (VAO)! www.GoToVAO.com

Register for VAO to access full PAM content.

Send an email to VAOCustomerCare@gotovao.com to request access today.
